poverty.

In the discussion on the School bill, as we find it reported in Sunday's Congressional Globe, Mr. Rogers, of Arkansas, occupied the brief time allowed him in the interest of the country. Allowed him is sunday in the interest of the country. Allowed him is sunday in the interest of the country. Allowed him is provided the brief time allowed him is provided to be a citizen mixing with the liberty. The German sunday ing to be a citizen mixing with the liberty. The German sunday in the country is a country of the country. The German sunday is the country of the country of the German sunday ing to be a citizen mixing with the liberty. The German sunday is the country of the country of the country. lowed him in presenting very sensipeople and doing business with them, ble views in opposition. We have yet for party purposes he will write more than once previously spoken of such a letter as that to the Congress of Republican. this proposed and most unconstitu-tional and iniquitous measure. Any interpretation of the Constitution whom he is in close association every which could warrant its passage, day. I well recollect this man Barbo would justify a law to regulate Convention in that State, and just be At the best of the columns of a paper printed on Jefferson street, which it will not be necessary for us to advertise, appears a statement which is interly false, and plears a statement which is interly false, to professions, the mode of instruction in academies, colleges and which it has the brazen audicity to control the professions, the mode of instruction will be voted down." Said he: "Sir, the bureau, I the future prosperity, growth and seminaries, worship of the churches, fasting and prayers in the family and clerieve the Constitution was voted upon on the 25th of March, by the people, I met him in Memphis.

The people of Shelby county will be called upon on the 25th of March, but would be. I told him: "I believe the Constitution will be voted down." Said he: "Sir, the bureau, I fear, has not been efficient in that state." Sir, a man who would strike grace at meals. It would warrant the grace at meals. It would warrant the grace at meals. It would warrant the country to railroads has been only to the Missassippi filver railroad. Of marriages in the States; to reg- fore the Constitution was voted upo The New York Herald manifests of the physical education, labors, habits and species unwarranted by the Constiless than its usual shrewdness in deal-iog with public matters, unless, like Congress supreme not only over stratagem and spoils."

The New German Empire.

The new German Empire became an accomplished fact when the King of Prussia formally accepted the imperial dignity; but that empire will ones which do not exist. The great and expensive machinery," calling for really begin its political existence last stares it in the face that a 'scramble for the spoils is going on in Arble for the spoil is going on in kansas between the two Radical tion, and on the ground of its needless est victories of modern times, are diswings-Clayton & Co., and Johnson addition to the Federal executive missed to their homes and resume & Co. So to escape the odium, the power. He moreover objected on the Herold affirms that Johnson and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his ground of its proposed seizure of prination may consolidate and perpetuate its region and his proposed seizure of prination may consolidate and perpetuate its region and his proposed seizure of prination may consolidate and perpetuate its region and his proposed seizure of prination may consolidate and perpetuate its region and his proposed seizure of prination may consolidate and perpetuate its region and his proposed seizure of prination may consolidate and perpetuate its region and his proposed seizure of prination may consolidate and perpetuate its region and his proposed seizure of prination may consolidate and perpetuate its region and his proposed seizure of prination may consolidate and perpetuate its region and his proposed seizure of prination may consolidate and perpetuate its region and his proposed seizure of prination may consolidate and perpetuate its region and his proposed seiz friends are Democrats. Johnson it avate property. Books were to be senows is "a rabid Democrat," and it lected by the Superintendents, involving mounted than war." The present, declares the impeachment of Clayton | ing not only a denial to individuals of | therefore, is a fitting time to glance at and the improvised Chief Justice to the privilege of directing the educa- the dimensions and resources of the be the work of "the Democratic House fion of their own children, but also cently assumed colossal dimensions of Representatives." This will be giving an opportunity for building up upon the map of Europe, and whose news to the Arkansians. Thus, says one or more enormous book publishing grand mission, to all human appearhouses, with a not inconsiderable share areas, is not even yet fully consum The whole fight seems to be merely of enormous profits to the Superin- mated. In order to give our readers an intelligent view of the subject, we a political contest for supremacy. The Democrats are trying to carry the State, just as they have carried North the State, just as they have carried North the State of ma, and the result will be the the South was educated to it, and her advance to the leadership of the martial law and bloody scenes and outrages enacted by Kirk's lambs and the Ku-Klux in the latter State. The people of the State are not interested by the Pharisecs who people of the State are not interested by the Pharisess who people of the State are not interested by the Pharisess who people of the State are not interested by the Pharisess who people of the State are not interested by the Pharisess who people of the State are not interested by the Pharisess who people of the State are not interested by the Pharisess who provides the provided by the Pharisess who provided by the Pharisess who provided by the Pharisess who provides the provided by the Pharisess who provided by the Pharises who provided by the Pharise who provided by the Phari ontinent. At the beginning of the in any great degree in any such revo-lutionary movement, and they cer-tainly do not desire a change of gov-erament so heartly as to undergo the terrors and horrors of civil war to gain it. Governor Clayton is the in the way of speculation under this est source of weakness at this period nited States Senator elect, and is to bill. He defended the State of Arkan-lay in the fact that it was completely Shelby. divided by the Kingdom of Hanover if the Democratic agitators had waited any legislation of this sort, the State tervened between the eastern or old his natural withdrawal from the Gov- had been most liberal in appropria- Prussian provinces, and what are his natural withdrawal from the Gov- had been most liberal in appropria- russian provinces, and what are county taxes. If the property of termed the Rhine provinces, the Memphis were doubled, nearly the latter being thus isolated from the ly reconstructed States—another synonym for anarchy and disorder—annym for anarchy for an other byword of scorn and ridicule helped so materially to force the rate maturally drawn strongly in the diamong the order-loving States of the of taxes up to the frightful aggregate rection of South Germany and the wealth of Memphis; for whilst the France, by the combined influences of Thus the Northern press, in the Radical interest, perverts the truth. Not patisfied with getting up as many Kulassessments reach. Being a native his assessments reach. Being a native tria in Germany was broken down whole amount of the subscription will be \$500,000, to be paid in five Klux outrages as possible, through carpet-bag emissaries and black agents, and manufacturing and compiling testimony for years back, and assuming that every personal diffifloor of the House, Hoar, of Massanessuming that every personal difficulty and disorder has a political significance, it dares to declare a falsebood in the face of open day, and despite the knowledge of the whole
people of a misgoverned State. Certainly "bloody scenes and outrages

Bismarck, with 1866 as a billows of a demoralizing war washed on the Tennessee dogs, it might suffice for the education of Tennessee, which Hoar & Co. are so a bund with Prussia at the head, and the fund added to that past and present and mannered to the future. Bismarck, with 1866 as a stepping stone, marched straight on. North Germany was reorganized into but extended in the direction of the needle and we now hear hearts of the people, and we now hear in the city, in the villages, and upon the highways and byways, men, women and children proclaiming from the city in the villages, and upon the highways and byways, men, women and children proclaiming from the city in the villages, and upon the highways and byways, men, women and children proclaiming from the city, in the villages, and upon the city in the villages, and upon the city, in the villages, and upon the city in the villages in the consequence of the city in the villages in the consequence of the city in the city in the villages in the consequence of the city in the city in the villages in the consequence of the city in the c women and children proclaiming from the house-tops that the law is the should come forward to delame the should come forward to delame the State by quoting a letter from that the largest of these states, Saxony, has an area of 5,776 square miles, and a population of about 2,425,000. The State by quoting a letter from that together 18,560 square miles and 3. WEAK; THE ONLY EFFICIENT REWEAK; THE ONLY EFFICIENT REWIND THE STRONG; AND the South, the notorious Barbour III. declared war seven months ago, from Elyton and Tuscaloosa, Ala-WHEN TRAMPLED UNDER FOOT, ALL Lowis. But he actually did so, and he pitted France, not against Prussia bama, the center of mineral regions of

ANABOHY, TYBANNY, AND BLOOD- read by the clerk at the bar of the many, numbering searcely less than here is the extract from that letter, read by the clerk at the bar of the surfaces of an earthquake. For ten years our city has been tossed by the throes of an earthquake. War came with its long train of evils and calamities. It had its victories during the four years it raged. But we have had five years of peace, and the first great victory was achieved on Monday last. The friends of law and order "breathe freer and deeper." They have resolved to continue the fight until the banner of peace and good order waves in triumph over the county, and the in triumph over the county, and the thieves, murderers, assessins and outlaws are driven from a position which they have so long regulated as imprognable. It is high time for that anarchy which always follows the footsteps of war to give place to the milder, safer and juster mandates of law. The conviction of Graves and Poston will parity the foul atmosphere around Cuba. Another innocent, defenseless young man will not be hung up like a dog, "Christian Commission." He goes in the country of the fine of the land and the masses should grow up prejudiced and ignorent and brutal. The fellow who wrote that lives in Memphis in fine style, dashes with his servant in his chariot of elegant solutions of the land and juster mandates of law. The conviction of Graves and Poston will purity the foul atmosphere around Cuba. Another innocent, defenseless young man will not be hung up like a dog, "Christian Commission." He goes the fine of the land and the conversable of the many is now blended with the empire and that empire has an area given to the posting and that empire has an area given to the Potomac middle States, south to the Potomac and west to the Wabash, and a population of at least 40,800,000—which is four middle States, south to the Potomac and west to the Wabash, and a population of at least 40,800,000—which is four middle States, south to the Potomac and west to the Wabash, and a population of at least 40,800,000—which is four not the most of the sent of the land and lors and successful to the New England and middle States, south to the Potomac and west to the Wabash, and a population of at least 40,800,000—which is four not the many is now blended with the empire and that empire has an area given to the Potomac and west to the Wabash, and a population of at least 40,800,000—which is four not the many is now blended with the empire of the separation. It present that the mindle States, south to the Potomac and west to the Wabash, and a population of the New England and including the one to Little Rock, and four n man will not be hung up like a dog, in that region, during the present century. For the future murder will be unknown in that lawless neighborhood. The same remedies will produce the same cures dies will be di
